"It was pretty hard sitting around doing nothing as the  
Art Manager. I had some coke (not the drink) and a can of  
pringles, but that still didn't satisfy my curiosity.  
Also, I'm currently eating a bowl of Fruity Pebbles. It's  
not great, but it's not terrible. I'd rate it somewhere  
between 4/50 and 8/50. Speaking of which, this message  
has been brought to you by Kellog's Fruity Pebbles. When  
you eat Kellog's Fruity Pebbles every morning, you'll  
feel like you want to start a bloody war and build a  
pebble nation!"
